

Christopher Lee Colglazier, M.D.
2616 Legends Way
Crestview Hills, KY 41017
Cell: 859-663-7555
Email: leecolglazier@gmail.com

Current Position

Rheumatology Physician
Tristate Arthritis and Rheumatology
Crestview Hills, KY 7/2005 - Current

Training

Rheumatology Fellowship Program
Wake Forest University
Winston-Salem, NC 7/2003 – 6/2005

Internal Medicine Residency Program
Wake Forest University
Winston-Salem, NC 7/2000 – 6/2003

Education

M.D.
University of Cincinnati College of Medicine
Cincinnati, OH 8/1996 – 6/2000

Bachelor of Arts in Chemistry /
Honors Division Certificate in Business Management
Indiana University
Bloomington, IN 8/1992 – 5/1996

Licensure and Certification

Ohio Medical Board Licensure (09834) September 21, 2011
Kentucky Medical Board Licensure (39193) March 17, 2005
DEA (BC7760944) May 13, 2002
National Provider Number (1679555486)
UPIN (H25240)
North Carolina Medical Board Licensure (2001-01436) Nov 16, 2001

ABIM Rheumatology Certification (number 221871) Oct, 2005
American Board of Internal Medicine Certification (number 221871) Aug, 2003; Oct 2012
United States Medical Licensing Exam Step 3 (5-039-295-0) Sept 6, 2001
United States Medical Licensing Exam Step 2 (5-039-295-0) Aug 23, 1999
United States Medical Licensing Exam Step 1 (5-039-295-0) June, 1998

Certification in Clinical Densitometry, ISCD July 18, 2004
Certification of Human Research Protection Education Nov 13, 2003
Advanced Cardiac Life Support Jan, 2005
Basic Cardiac Life Support Dec, 2004
Emergency Medical Technician May, 1995

Awards

Research

Selected for the Health Outcomes Research Epidemiology Fellowship Program through the Arthritis Research Center Foundation / National Databank of Rheumatic Diseases (NDB). Program Directors: Frederick Wolfe, NDB; Theodore Pincus, Vanderbilt University; Hyon Choi, Harvard. July 2004 – June 2005.

Principal-Investigator May 2004 - May 2005
The National Data Bank for Rheumatic Diseases Data Collection Project
IRB BG04-272

Clinical Research Trial Participation

Principal Investigator 2012 - 2014 “Treating to Target (T2T) for patients with Rheumatoid Arthritis in a US population: Outcomes and feasibility”
CORRONA

Co-Investigator, 1/2005 - 6/2005.

La Jolla Pharmaceuticals: A Randomized, Double-Blind, Placebo-Controlled, Four-Arm, Parallel-Group, Multicenter, Multinational Safety and Efficacy Trial of 100 mg and 300 mg of LJP 394 in Systemic Lupus Erythematosus (SLE) Patients with a History of Renal Disease.
Wake Forest University

Sub-Investigator, April 2004 - June 2005.

Human Genome Science, Inc: A Phase 2, Multi-Center, Double-Blind, Placebo-Controlled, Dose Ranging Study to Evaluate the Safety, Tolerability, and Efficacy of LymphoStat-B™ Antibody (Monoclonal Anti-BLyS Antibody) in Subjects with Systemic Lupus Erythematosus (SLE)
Wake Forest University

Sub-Investigator, April 2004 - June 2005.

Roche/Genentech/IDEC: A Randomised, Multifactorial, Double-Blind, Parallel-Group, Dose-Ranging Study of the Efficacy and Safety of Rituximab (MabThera/Rituxan®) in Combination with Methotrexate in Patients with Active Rheumatoid Arthritis. Protocol WA17043/U2644g
Wake Forest University

Sub-Investigator, April 2004 - June 2005.

Roche/Genentech/IDEC: An open label study of the efficacy and safety of re-treatments with Rituximab(MabThera/Rituxan®) in patients with active rheumatoid arthritis. Protocol WA16855/U2653g

Wake Forest University

Sub-Investigator, April 2004 - June 2005.

Human Genome Science, Inc: A Phase 2, Multi-Center, Double-Blind, Placebo-Controlled, Dose Ranging Study to Evaluate the Safety, Tolerability, and Efficacy of LymphoStat-B™ Antibody (Monoclonal Anti-BLyS Antibody) in subjects with Rheumatoid Arthritis (RA). LBRA01

Wake Forest University

Sub-Investigator, April 2004 - June 2005

LBRA99: A Multi—Center, Open-Label, Continuation Trial of LymphoStatB™ Antibody (Monoclonal Anti-BlyS Antibody) in Subjects with Rheumatoid Arthritis (RA) who Completed the Phase 2 Protocol LBRA01

Wake Forest University

Sub-Investigator, April 2004 - June 2005

Immunex 16.0023: Open-Label Extension Treatment with TNFR:Fc for Participating Patients in TNFR:Fc Clinical Trial 16.0023

Sub Investigator, April 2004 - June 2005

Protocol # WA18063, A randomized, double-blind, placebo-controlled, parallel group study of the safety and reduction of signs and symptoms during treatment with MRA versus placebo, in combination with traditional DMARD therapy in patients with moderate to severe active rheumatoid arthritis and an inadequate response to current DMARD therapy.

Other Publications

Poster Presentation: Noureddine N, Colglazier, C, Brownlee, N, Daniel, K. Hemophagocytic Syndrome; a Rare Complication of Systemic Lupus Erythematosus. 2005 North Carolina American College of Physicians, American Society of Internal Medicine Conference.

Poster Presentation: 2003: Colglazier, C, Kimberly, J “An Evidence-Based Review of Tube Feeding Practices.” American College of Physicians, American Society of Internal Medicine conference

Other Activities

Good Samaritan Free Health Center Volunteer, 2012 - 2015

Hospice of Cincinnati Volunteer. 2007 – 2012

Speaker Consultant

UCB 2012 – Current

Abbott 2011 - 2015

Forest 2010-2011

Pfizer 2007-2010
